

correct **a few
correction** **poor** **incomprehensible**

Clarity:

excelent **good** **fair** **poor** **unreadable**

Organization:

excelent **good** **fair** **poor** **chaotic**

Style:

concise **a little
verbose** **too verbose**

**The topic of this
papper fits to
journal:**

perfectly **well** **fairly** **poorly** **does not fit**

**Audience of the
paper:**

**most specialists
in the field**

**only a few
specialists of
high level**

**possible some
specialists in the
field**

**maybe some
doctoral students**

**I think that
nobody will be
interested**

References:

- essential references:	ok	some are missing	completely missing	not the case (no similar research exists)
- recent similar works:	ok	missing	not the case (no similar research exists)	
- are appropriate:	ok	references are not useful	not the case	
- are cited according to the guidelines for authors?	yes	no		

**Manuscript
typing:**

- formulas are readable?	yes	no
- formulas are numbered?	yes	no

**Abstract
content:**

- is given?	only english	only romanian	both language	no
- is it relevant?	yes	no		
- is it according to the guidelines for authors?	yes	no		

Keywords:

- is given?	yes	no		
- is it relevant?	yes	only partly	no	

Title:

ok	not enough informative	no reflecting the content	too long	
----	------------------------	---------------------------	----------	--

Final opinion:

publish, an excellent papper	publish, a good paper	publish as such, if space is available	publish after minor revision	can be published only if major revision are made	poor paper, reject
